## **Emrie De Vaal**

### ***“Gifted Minds: Making Sense of Cognitive Test Results”***

Emrie is a NZ Registered Psychologist with a Master’s degree in Educational Psychology who works at Indigo Assessment & Counselling in Auckland. She is skilled in assessing cognitive abilities, particularly in gifted children, as well as specific learning needs associated with dyslexia, attention difficulties and related issues. Emrie is dedicated to finding strategies that will enable children to reach their full potential.
