## Susan Scharpf

### Gifted 101: Key Concepts in Understanding “Gifted”

Susan will introduce and demystify several key concepts related to giftedness, including intensities and asynchronous development. She will also recommend top resources for learning more about gifted children and their development.

This talk will be useful for parents, teachers and other professionals who work with gifted children and want to know more about how to support them effectively.

**Tuesday 30 May 2017**  
**Kavanagh College Staff Room**  
**Main entrance on Rattray Street,**  
**Dunedin**  
**7.30pm**

Refreshments and snacks will be available after the talk
